Work Experience

Biddingo.com / UI / UX Designer

OCT 2014 - OCT 2018 / TORONTO, CA

I worked on UI/UX design for web application. Defined navigation, user workflows and layouts focusing on usability. Developed wireframes, interface mockups and page prototypes using HTML, CSS, and jQuery for future enhancements of the website. Planned and executed usability testing. Collaborated with development team correct any UI problems or HTML/CSS issues. I worked through agile methodology and defining and refining requirements from users and other stakeholders.

EXOD International Inc. / Graphic & Web Designer

FEB 2013 - APRIL 2014 / MARKHAM, CA

I worked as a graphic & web designer. Responsible for daily design in a small, high-end graphics business. Created Missha website banners and products landing pages. Developed graphic design projects(brochures, catalogues, flyers, booth design, magazines and etc.)

SWEETIE & SWEETIE / Graphic Designer

MAY 2009 - JULY 2012 / SEOUL, SOUTH KOREA

I worked as a graphic designer. Designed mock-ups for website layout and created final web assets. Created ebanners and product landing pages. Took photography for the products and re-touch the photos, and uploaded on the live platform.

Mare / Graphic Designer

FEB 2004 - SEP 2010 / SEOUL, SOUTH KOREA

I worked as a freelancer for fashion field clients. Created Storyboard and presentation. Created editorial fashion catalogues and advertisements.
